Architectural Registration Exam (ARE) Information

(for initial registration as a Registered Architect)

You may fill out forms and applications online. The forms and applications have to then be printed because they must be signed and/or notarized.

Law and Rules

The Law and Rules can be accessed from the Board's home page. The registration law for architects, engineers, landscape architects, and registered interior designers is found at *Tennessee Code Annotated*, Title 62, Chapter 2. You may, also, contact the Board office to request a copy of the Law and Rules, which are subject to change.

Before submitting this application, be sure you have met the minimum education and experience requirements for registration, because the application fee is **not refundable**.

Residency Requirements

An applicant for registration by exam must meet Tennessee's residency requirement ([Rule 0120-1-.03](#)).

Intern-Architect Development Program

Effective December 1, 1984, an applicant for registration by exam must have completed the Intern-Architect Development Program (IDP) of the National Council of Architectural Registration Boards (NCARB). You will need to request that NCARB transmit your IDP record to this Board. For complete information about IDP, please contact [NCARB](#).

Forms

(1) Application Form –

- Fill out the application form completely (on-line or after downloading it), sign it, and have it notarized. Any major modification of state approved forms may cause the Board to reject your application.
- Provide detailed information in regard to design work on projects, progressive in nature, to enable evaluation of experience. All time/experience must be accounted for whether it is related to architecture or not. You must show the minimum required years of experience at the time of application.

(2) Reference Form –

- Submit three references from registered architects who are personally acquainted with your technical ability.
 - References are required from both a current employer/supervisor and a past employer/supervisor (if applicable).
- References from relatives are not acceptable.
- You are responsible for sending reference forms to the persons listed on your application who will then submit them directly to the Board office.

Fees

You should submit the application fee with your application. Make check payable to the **Tennessee Department of Commerce and Insurance**.

Application Fee – **\$30** (non refundable)

ARE Fees – to be paid at test center

Biennial Registration Fee – **\$140** (due after ARE is passed)

Review Procedure

When your application packet is complete, it will be circulated among the architect members of the Board for review. If approved to take the Architect Registration Exam (ARE), the Board office will notify you and NCARB of your eligibility to take the exam. NCARB will provide all eligible candidates with information about taking the exam. For additional information about the ARE contact [NCARB](#). The review may take up to eight weeks.

Location of Exam Sites and Scheduling Information

Once this Board establishes your eligibility, you may take the exam at any location where it is offered. To take an ARE division, schedule an appointment with the test center (a Prometric Test Center) of your choice. There is no required sequence, so you may sign up to take any division(s) of the exam at any time, at any location, if there is space available. A tutorial will be available at the test center. The specifics with regard to the location of test centers, scheduling and/or canceling an appointment, etc., should be worked out directly with the test center.

The ARE is currently offered on an on-going basis, six days a week, in the following cities: Chattanooga, Clarksville, Franklin, Knoxville, Madison, and Memphis; however, you are not limited to taking the exam in Tennessee.

Score Reporting Procedures

This Board will notify you of your score(s) when they are received from NCARB's vendor, The Chauncey Group. You will have to wait 6 months to retake any division on which you are unsuccessful.

ARE Rolling Five-Year Clock

To pass the ARE, an applicant must achieve a passing grade on each division. A passing grade for any division of the ARE shall be valid for five years, after which time the division must be retaken unless all divisions have been passed. NCARB may allow a reasonable extension of such period in circumstances where completion of all divisions is prevented by a medical condition, by active duty in military service, or by other like causes.

For more information regarding the rolling clock [click here](#).

Pending Status

An application that lacks required information or reflects a failure to meet any requirement will be held in a "pending" status for five (5) years from the date of the application. These requirements include passing the required registration exam.
